THE MAKING OF A SUPERHERO...

SEEKING FAME AND FORTUNE, PETER PARKER TOOK TO THE WORLD OF PROFESSIONAL WRESTLING USING HIS FANTASTIC SPIDER-LIKE POWERS!

AFTER THE FIGHT, SPIDER-MAN WITNESSED A ROBBERY TAKING PLACE... BUT DID NOTHING.

FELLA, YOU COULD'VE CLOBBERED HIM AND NOT BROKEN A SWEAT! WHAT GIVES?

SO? IT'S NOT MY PROBLEM.

WHEN PETER ARRIVED HOME, A TERRIBLE TRAGEDY AWAITED HIM.

UNCLE BEN! NOOOOO!

IT WAS A MAN IN A MASK. HE WENT THAT WAY!

SPIDER-MAN CAUGHT UP WITH HIS UNCLE'S KILLER. AND WHEN HE RIPPED OFF THE MASK...

Y-YOU?

IT WAS THE SAME BURGLAR HE COULD'VE STOPPED EARLIER THAT DAY!

FROM THAT MOMENT ON, PETER REALISED IT WAS HIS DUTY TO COMBAT EVIL AT EVERY TURN...

IT'S LIKE UNCLE BEN ALWAYS SAID, WITH GREAT POWER, MUST COME GREAT RESPONSIBILITY.

THE DAILY BUGLE BUILDING, WHERE PETER PARKER HANDS IN HIS LATEST ASSIGNMENT TO EDITOR JOE ROBERTSON.

NICE WORK, PETER. WE CAN DEFINITELY USE THESE SHOTS OF THE BIG STREET PARADE.

GLAD TO HEAR IT, JOE. I CAN USE THE DOUGH... AS USUAL.

SUDDENLY, PUBLISHER J. JONAH JAMESON BURSTS OUT OF HIS OFFICE...

QUICK, SOMEONE GET ME A PHOTOGRAPHER! C'MON, C'MON, THIS IS HOT!

PARKER, YOU'LL DO. THE RHINO'S ON A RAMPAGE DOWNTOWN AND I WANT IT COVERED.

SO WHAT'RE YOU WAITING FOR?!

I'M ON IT, MR JAMESON...

...BUT AS SPIDER-MAN!

MR JAMESON, YOUR DECORATORS JUST CALLED. THEY'VE FINISHED REFURBISHING YOUR TOWNHOUSE.

HALLELUJAH - AT LAST! OKAY, YOU'D BETTER SEND OVER A COURIER WITH THE CHEQUE.

DANG-BLASTED TRADESMEN... BUNCH OF ROBBING FINKS, THE LOT OF 'EM.

A SHORT WHILE LATER.

H-HERE
HE COMES,

ALL

THE RHINO!

THOSE SIDES ARE TOO STEEP FOR HIM TO GET OUT. BUT WHAT STARTED HIS RAMPAGE ANYWAY...?

I'LL ANSWER THAT, SPIDER-MAN.

WHO THE? --

KRAVEN THE HUNTER!

INDEED. AND IT WAS ME THAT BROUGHT THAT DIM-WITTED OAF TO THE CITY.

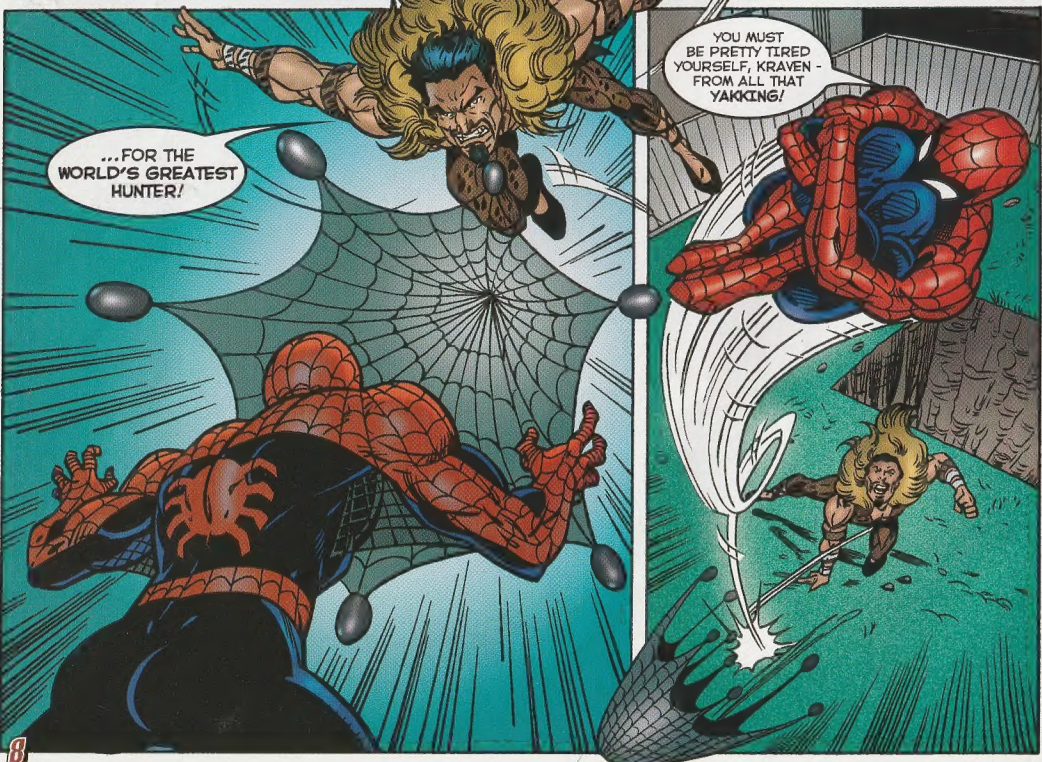

"ONCE I HAD HIT ON MY PLAN, IT WAS A SIMPLE MATTER TO TRACK THE RHINO DOWN IN THE ARIZONA DESERT..."

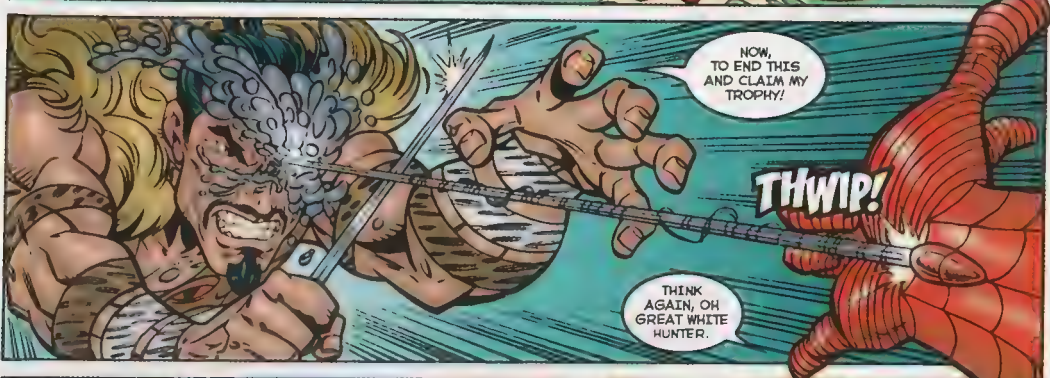

"...AND JUST AS SIMPLE TO KNOCK HIM OUT WITH A POWERFUL GAS GRENADE."

SPIDEY BRAIN TEST:

RHINO HUNT!

Desha! Finding Kevin's Mom
Rhino and Kraven isn't any
kind of a pleasant
afternoon! Still, at least the
city's a little better. Kevin's behind bars, AND I got
some great shots for the Bugle!

Try and answer all the questions below on this issue's
amazing story, without looking back through at the strip!

1

In the first panel of the story,
what is the man buying when
Rhino charges down the street?

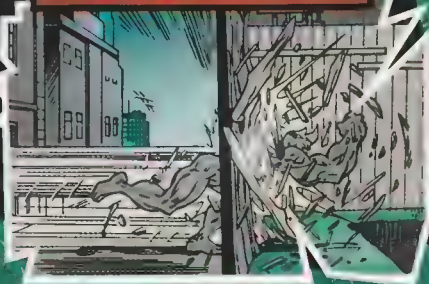

- A: A newspaper
- B: Chewing gum
- C: Bullet-proof vest

RRRUUMBLE

3

We have removed Spider-
Man from this panel in the
story. Draw him in the spot
you think he should be!

2

Read these speech
bubbles taken from
the story, and try to match
each one to the character
you think said it.

HEY, OVER
HERE, HANDBAG
HIDE!

NOW
TO END THIS
AND CLAIM MY
TROPHY!

BUNCH
OF ROBBING
FINKS, THE LOT
OF 'EM.

THAT'S
IT! I'M GONNA
GRIND 'YA INTO A
HAMBURGER!

4

How did Kraven capture the Rhino in the
Atlatlan desert?

- A: He trapped him in a steel net
- B: He sent him to sleep with a gas grenade
- C: He put glue on the floor and got Rhino to charge through it

5

Look at this picture from the
story, and try to spot THREE
things that shouldn't be there!

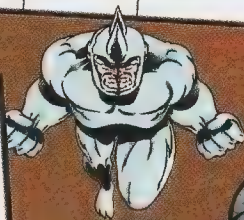

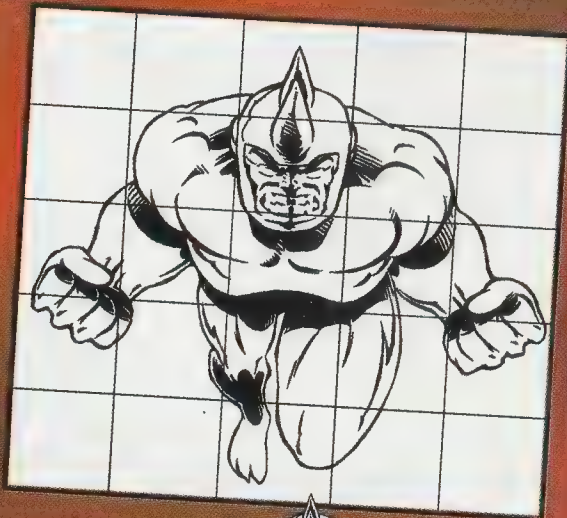

BRAINIAC OR BLOCHHEAD?

Check back through the strip to see
how many questions you got right!

SKETCH FEST: THE RHINO!

The Rhino is about to charge right out of the page at you! Grab your pens and pencils and get drawing before he causes havoc!

Copy this image carefully to make your own Rhino and make sure you solve it by following the color guide!

SPIDER FILE:

THE RHINO!

Take cover, the **RHINO** is on a **RAMPAGE!** Over 700 pounds of solid muscle locked inside bullet-proof armoured skin – once he gets going, there's **NO** stopping him!

Real Name:	Alex D'Am
Height:	6 ft. 5 in.
Weight:	710 lbs.
Power:	Superhuman strength, speed and endurance
Equipment:	Ultra-tough three-piece armour with razor-sharp limbs
Weakness:	Limited manoeuvrability

HORRIBLE HISTORY!

Alex O'Hirn was a *small-time* gangster with *big-time* ambition. So when

Russian spies offered him the chance to become a

super-human
criminal agent, how
could he refuse?

Scientists exposed O'Hirn to hi-tech **radiation** treatment, granting the villain amazing **strength** and **breakneck** speed, then they covered his body with a suit of thick armour like the skin of a **Rhino**!

TACTICS? ERM... CHARGE!

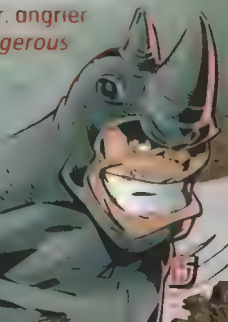

To be frank, the **Rhino** isn't the sharpest tool in the box. Sheesh, he even makes the SCORPION look smart! *Thinking* is much too exhausting for this big grey lug; instead the Rhino just dips his head and runs in a straight line towards whatever target is **annoying** him the most - usually **Spider-Man**!

The Rhino's first mission was to capture the son of Daily Bugle Publisher **J Jonah Jameson**, and hold him to ransom! Spider-Man rushed to the defence of young Jameson, and defeated the inexperienced Rhino. But don't worry, villain-fans, the Rhino escaped jail and now he's **stronger, angrier** and more **dangerous** than ever!

COLLATERAL DAMAGE!

The Rhino has a habit of **smashing** through *anything* that gets in his way, leaving a trail of rubble and twisted metal in his wake! Unable to brake suddenly or turn sharply, the Rhino just busts his way through whatever blocks his path!

SPIDEY'S TOP 5...

ATTENTION ALL SUPER-HEROES!

Time to start off your capes and spandex into those shiny pants! Quick, smart, cool and deadly are in town! Tell me if you dare... I've got 5 deadly attacks from the court of evil of Super-Villain!

SUPER VILLAIN ATTACKS!

DOCTOR DOOM GAUNTLET BLASTERS!

The diabolical Doctor Doom always has a trick up his sleeve, and in this case it's a concealed mini plasma cannon built into his glove! So even when you think you've got him beat, turn your back and he'll fry you like a kipper!

THE GREEN GOBLIN!

PUMPKIN BOMB SHOWER!

Facing up to *one* pumpkin bomb is bad enough – but a whole SHOWER of them? Sheesh! It's like a hundred Halloweens all at once, without the sweets! Plus, you never what type of bomb they could be! Fire, poison gas, butterscotch, toffee, sherbet... (Err, sorry – did someone mention sweets?)

RHINO

CHARGE!

With a top speed of 100mph, a lumbering oaf the Rhino isn't. Well, maybe an oaf. And he is slightly lumbering. But trust me; just get out the way when he decides to charge at you, ok? 'Nuff said!

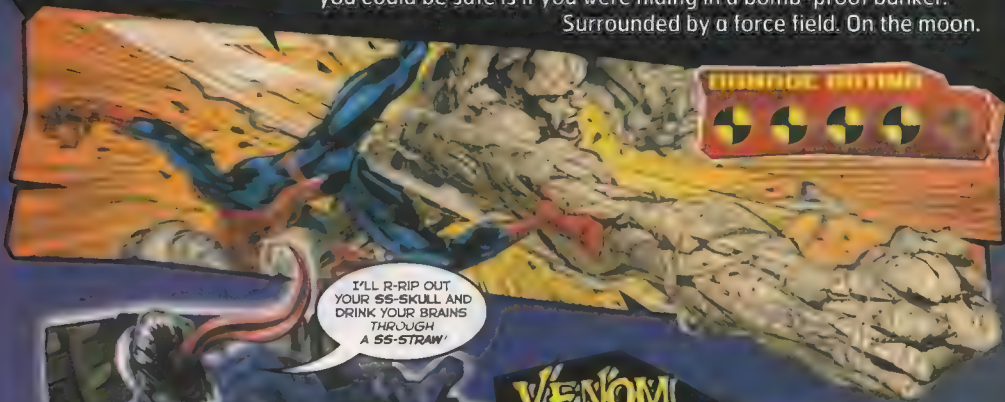

DAMAGE METER

THE SANDMAN!

SANDSTORM FIST!

With massive extendable fists as hard as rock, the Sandman is one dangerous dude! You could be 100 feet away from this guy, and he could still bash you from New York to Boston with no more than a flick of his finger! In fact, the only way you could be safe is if you were hiding in a bomb-proof bunker. Surrounded by a force field. On the moon.

DAMAGE METER

VENOM

MONSTER BITE!

With more razor-sharp teeth than a family of great white sharks (uncles and second cousins included), VENOM's gaping mouth is to be avoided at all costs. (As if I needed to tell you, right?) Get on the wrong side of this guy and he'll eat you up whole and use your bones for toothpicks before you can say... ouch. NASTY!

SPECTACULAR SPIDER-MAN

SKETCH FEST:

DOCTOR DOOM!

You wouldn't think it to look at him - but Doctor Doom is a lover of fine art (he's even got an art museum in his castle)! He's agreed to pose for a portrait to hang on his wall - but do a *hasty* job, and he'll feed you to the Dinosaurs!

Gather your wits, then copy this image square-by-square into the empty grid below, and colour it in!

THE GREAT DOCTOR DOOM ALLOWS YOU TO DRAW HIS PICTURE! BUT MAKE A MISTAKE, AND I WILL LIQUEFY YOUR BRAINS!

LISTEN DOOMY - MY READERS ARE DRAWING YOU FINE - I'M AFRAID YOU'RE JUST THAT UGLY!

SPIDEY'S TOP 5...

SUPER HERO WEAPONS!

When it comes to defeating evil villains, a Super Hero's most important accessory is his trusty weapon (and I bet you were thinking it was his matching shoes and handbag!) So grab your safety goggles and body armour as we check out 5 of the greatest weapons in the Marvel Universe!

DAREDEVIL BILLY CLUB!

5 With one flick of a secret switch, Matt Murdock's innocent looking walking stick splits into two separate weapons. One part becomes a formidable weighted fighting baton, whilst the other contains a long cable and can be used as a grappling hook!

SPIDER-MAN WEB-SHOOTERS!

4 You didn't think I'd make a list like this without including my pride and joy did you?

Each of my web-shooters can hold up to 10,000 feet of web fluid and can fire a single strand of webbing up to 50 yards!

WOLVERINE CLAWS!

1 Like the rest of his skeleton, Wolverine's claws are made of the indestructible metal Adamantium. They constantly stay razor-sharp and are capable of slicing and dicing almost anything!

CAPTAIN AMERICA SHIELD!

2 Captain America's mighty shield is constructed from an alloy of Adamantium and Vibranium, making it possibly the strongest thing on Earth! In battle, Cap can bounce his shield around a room taking out multiple enemies with one well-aimed throw. Now that's what I call a trick-shot!

THOR HAMMER!

1 This thing is the Swiss Army knife of the Super Hero world! Using his Hammer, Thor can fly, summon thunderstorms and lightning, create a protective shield, open portals to other dimensions and, of course, knock any bad guys foolish enough to mess with him into next week! 'Nuff said!

ONE OF THE ARMY OF DOOM-BOTS I HAVE CREATED! REPLICAS OF MYSELF IN EVERY DETAIL!

SO FAR THE TREACHEROUS DOOM-BOT HAS ESCAPED PUNISHMENT BY GOING BACK IN TIME!

WHY NOT GO THERE YOURSELF, ALLOY EARS?

I MUST STAY AND GUARD AGAINST ANY FURTHER REBELLION.

INSTEAD I HAVE CHOSEN YOU BOTH AS HAVING THE NECESSARY AGILITY AND STEALTH TO DEFEAT THE DOOM-BOT.

HE'S RIGHT, SPIDEY, WHO KNOWS WHAT HAVOC A ROBOT LIKE THAT COULD DO IN THE PAST.

THE TIME MACHINE IS PROGRAMMED TO RETURN HERE IN THREE HOURS TIME.

COME BACK WITH MY NEMESIS OR DO NOT COME BACK AT ALL!

New York City.
The year 1850.

A city still in its infancy,
where street warfare
fought by rival gangs
is commonplace

Nearby, in an
abandoned warehouse

WE'VE
ARRIVED!

IS
ANYTHING
LEFT?

UH...
YOU COULD
SAY THAT.

MISTER,
I DON'T LIKE
YOUR FACE!

TALKING
OF FACES

UNDER
THAT MASK

BET YOU'RE
NOT MUCH OF
A LOOKER
YOURSELF!

HUH?

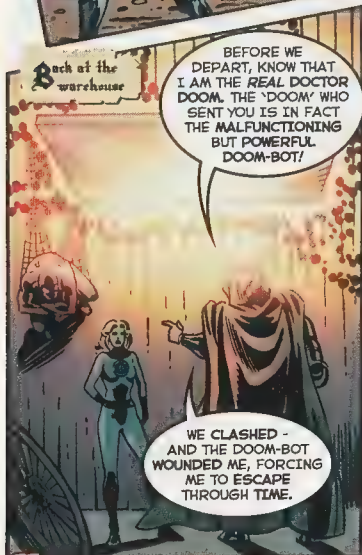

BUT YOU'RE
THE BIG BOSS OF
THE DOOM GANG! YOU
CAN'T LEAVE US!

WORTHLESS
CUR, YOU DARE
QUESTION ME.

THE GANG WAS A
USEFUL DISTRACTION
AS I GATHERED MY
STRENGTH.

BUT NO
MORE!

KRAASSH!

Back at the
warehouse

BEFORE WE
DEPART, KNOW THAT
I AM THE REAL DOCTOR
DOOM. THE 'DOOM' WHO
SENT YOU IS IN FACT
THE MALFUNCTIONING
BUT POWERFUL
DOOM-BOT!

WE CLASHED -
AND THE DOOM-BOT
WOUNDED ME, FORCING
ME TO ESCAPE
THROUGH TIME.

IT'S LIKE THIS,
I GOT 'DOOM' - AND
EVEN MORE 'DOOM' -
COMING OUT OF MY CUTE
SPIDEY EARS!

IF YOU'RE
THE REAL MCCOY,
THEN PROVE
IT!

THEN KNOW THAT
AS A SCIENTIST ONE
OF MY EARLIEST
INVENTIONS BLEW UP
IN MY FACE.

THE
EXPLOSION
LEFT DEEP AND
HIDEOUS
SCARS.

GAZE THEN
ONTO THE TRUE
VISAGE OF
DOCTOR
DOOM!

BACK TO THE
FUTURE!

THE TROJAN HORSE DOOR HAS
PLANE A WELCOMING GREETING
